

YEAR BOOK 2022

THE RACING COLLECTIVE IS A NOT-FOR-PROFIT ROAD AND GRAVEL BIKEPACKING CLUB FOR SELF-SUPPORTED RACERS. INSPIRED BY RACES LIKE THE TRANSCONTINENTAL AND THE TOUR DIVIDE, WE SET OUT TO CONSTRUCT A SERIES OF TRIALS THAT CARRIED THE SAME SPIRIT OF SELF-SUFFICIENCY, BUT WHICH COULD BE COMPLETED CLOSER TO HOME.

We seek the freedom and feral mindset that comes from riding fast and far. Meanwhile we are all too aware that the environment we ride in needs protecting. With that in mind, our long-term aim as a club is to buy a shooting estate in the UK and rewild it through the restoration of natural forests for wildlife and our adventurous descendents to enjoy..

Thank you and good luck!
